

Society of Occupational and Environmental Medicine Malaysian Medical Association (SOEM-MMA)

**Collaboration With
Social Security Organisation**

CONTINUOUS PROFESSIONAL DEVELOPMENT

**6 February 2010
Hotel Istana Kuala Lumpur
Jalan Raja Chulan, Kuala Lumpur**

INTRODUCTION

The Society of Occupational and Environmental Medicine, Malaysian Medical Association in collaboration with Social Security Organization (SOCSO) bring to you another programme on Continuous Professional Development (CPD) - case presentation of occupational diseases on the 6th of February 2010. A number of work-related diseases are to be presented. This seminar allows for sharing of experience and deliberation of the cases to enhance the knowledge and skills in the management of these cases, encompassing rehabilitation, return to work and compensation.

LEARNING OUTCOMES

- The participants will be able to interact and share their experiences in the management of the relevant occupational diseases
- The participants will gain up to date knowledge on the management of occupational diseases based on the cases presented
- The participants will be able to apply the knowledge gained in their daily occupational health practice
